SKILLSET

Graphic Design 13 years

Proficient in Adobe Photoshop, Illustrator, and Premiere Pro with advanced skills. Experienced in creating visually compelling graphics and designs for various media.

Marketing 6 years

Extensive experience in marketing strategies and brand building, with a focus on the esports, gaming industry, but also in car dealerships, hotels, and restaurants.

Project Management 2 years

Skilled in project management, overseeing tasks and timelines of production team to ensure successful project completion.

CG Design & CG Operation 2 years

Proven expertise in CG operation, ensuring the seamless integration of computer-generated elements into live broadcasts and events via CharacterWorks, NewBlue and GT Title Designer.

Live-stream Production 2 years

Proficient in video production software, including Vmix and OBS Studio to create engaging, visually appealing content.

Office Software 10 years

Highly skilled in using Google Docs and Microsoft Office suite for efficient documentation, communication and data preparation for CG operations.

AI tools 1 year

Proficient in working with AI tools, including Midjourney for story-boarding, inspiration, generating icons, and visualisation, as well as ChatGPT for natural language processing and communication. I'm proactive in learning new techniques on how can AI tools make our life easier.

Language Skills:

- **English** - B2 level
- **German** - learning beginner
- **Slovakian** - maternal

My journey has been marked by continuous learning and a relentless pursuit of excellence in every project I undertake. I thrive in dynamic environments, love to collaborate with like-minded professionals, and am driven by the challenge of bringing creative visions to life. If you're seeking a dedicated and versatile professional with a proven track record, I'm excited to explore opportunities where I can contribute my skills and expertise. Let's connect and discuss how I can be a valuable asset to your team and help you achieve your creative and business goals.
