

ROBERT ĎURICA

AI helper · Event producer · CG operator · Graphic designer · Brand builder · DJ · Jack of all trades

@ rdurica1995@gmail.com ☎ +421 908 109 541 ⌂ durica.si in linkedin.com/in/durica ◎ Bratislava · 1995

Versatile creative with a background in marketing, branding, graphic design, live broadcast graphics and event production. Today I drive the Red Bull event car, run my own events and build AI tools that save me and other people time.

I learn fast, I like dynamic environments and I keep my promises. Sometimes I say no, but that's because I have another solution to think through.

WORK EXPERIENCE

Red Bull
05/2024 – present

Event car driver · Event producer

- Driving the event car (Zubor, Sugga), producing smaller events, production assistant on big ones.
- Freak x Yzomandias: pop-up production with the event car.

Own projects
2024 – present

Founder · Organiser · Builder

- **GOSko**: co-organiser and host of the Game of Skate series in Bratislava and Žilina (2026), brand and partners.
- **Drop Ups**: my own pop-up events on mobile stages, e.g. KALAMITA, a winter rave under a bridge in Bratislava.
- **Event Hub** (live) and **Questwave** (beta): apps I build with AI.
- **AI help** for small businesses, students and anyone lost in AI.

Futbalic
2024 – 2025

Logo · Marketing · Match production

- Visual identity, marketing and production of matches.

RECIN – Broadcast Your Event
01/2023 – 09/2023

Camera operator · CG operator · Graphic designer

- Main camera at several Kaufland Children's Festival events, ski races and smaller events; CG operation, graphic design and livestream production.

REPUBLEAGUE
09/2020 – 04/2023

Co-founder · Brand builder · Marketing specialist · Content production

- Co-founded REPUBLEAGUE and grew it from a fun Instagram into an esports brand and tournament: marketing, social media, livestreaming, content, online events and video editing.
- Built a complete tournament system in a spreadsheet, wired to the live graphics.

Hosting GOSko

My journey has been marked by continuous learning and a relentless pursuit of excellence in every project I take on. I thrive in dynamic environments, love working with like-minded people and I'm driven by bringing creative ideas to life. I'm looking for people and teams to work with and to show what AI can do today. Let's connect.
